Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Notice for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

35 USC 181 (b) (1) provides that an application for a patent shall not be published if the Secretary of the Patent and Trademark Office determines that the publication of the application would be injurious to the national defense. The Secretary may, in his discretion, determine that the publication of an application is not injurious to the national defense. If the Secretary determines that the publication of an application is not injurious to the national defense, he shall publish the application. If the Secretary determines that the publication of an application is injurious to the national defense, he shall not publish the application. The Secretary's determination shall be final and conclusive. The Secretary may, in his discretion, determine that the publication of an application is not injurious to the national defense. If the Secretary determines that the publication of an application is not injurious to the national defense, he shall publish the application. If the Secretary determines that the publication of an application is injurious to the national defense, he shall not publish the application. The Secretary's determination shall be final and conclusive.
